Education

University of South Carolina – Columbia, SC

August 2023 – May 2027

Bachelor of Science in Computer Information Systems

Minor in Business Info Management

GPA: 3.608 / 4.0

- **Coursework:** Algorithmic Design I & II, UNIX/LINUX Fundamentals, Software Engineering, Web Applications, Intro to Computer Security, Advanced Programming Techniques, Intro to Computer Networks, Operating Systems
- **President's List:** Spring 2024 and Spring 2025
- **Dean's List:** Fall 2023 and Fall 2024

Technical & Professional Skills

- **Programming Languages:** HTML(5), CSS(3), JavaScript(ES6+), Java(17), Python(3.13)
- **Frameworks:** React.js(18), Vue.js(3)
- **API Development:** RESTful APIs, CRUD operations, HTTP methods
- **Tools:** Git, GitHub, GitBash, PowerShell, Lucidchart, Mermaid, VS Code, Eclipse, IntelliJ
- **Other:** Agile/SCRUM, Microsoft Office, Google Suite, Excel (Scripting), Canva

Technical / Curriculum Projects

Moosician – Music Learning App

January 2025 – May 2025

Software Engineering Team Project

- Designed and developed a music learning app using Java 17, FXML, and CSS.
- Implemented note and chord recognition using the **JFugue** Java library.
- Designed and implemented JUnit tests to validate application functionality.
- Implemented DataLoader and DataWriter components in Java to read from and write to JSON files.
- Utilized **Jackson** Java library for JSON data marshalling and demarshalling.
- Active participation in Scrum meetings, sprint reviews, design meetings, and code reviews.

Library Web Application

August 2024 – December 2024

Personal Project

- Designed and developed a full-stack library web application for browsing, searching, and filtering books.
- Built a responsive UI using HTML, CSS, JavaScript, and React.
- Implemented backend services with Node.js and Express.
- Used React hooks for Functional components, State Management, and Modularity.
- Built RESTful APIs using Node.js/Express with MongoDB integration.

Technical Involvement

Member – Association for Computing Machinery (ACM)

September 2025 – Present

Columbia, SC

- Participated in competitive programming and coding challenge events to strengthen problem-solving skills.
- Collaborated with peers on building unique coding projects and discussing design and implementation strategies.
- Attended technical workshops and career sessions focused on internship preparation and interview readiness.

Non-Technical Involvement

Customer Service Associate – Krispy Kreme & Cold Stone Creamery

Summer Weekends

- Delivered efficient, professional customer service while collaborating with team members to ensure smooth operations in high-volume environments.
- Processed transactions accurately and addressed customer concerns.
